DMK Skin Treatments

DMK ENZYME THERAPY

DMK's signature facial treatment of Enzyme Therapy forms the basis of all DMK treatments. We have 4 levels depending on the results desired and the time frame for the results.

Level 1	\$150
An introductory or maintenance treatment between advanced treatments	
Level 2	\$200
An additional exfoliation or a lifting and firming Muscle Banding treatment	
Level 3	\$225
Focused on resurfacing, treating acne, pigmentation, milia, sun damage and thickened ageing skin	
Level 4	\$250
The Instant Lift is designed to firm, tighten and brighten the skin for a special occasion	

ALKALINE HAIR REMOVAL

Removes hair using a unique formulation that gently dissolves the hair and can reduce hair re-growth with continued use.

Half face	\$80
Lip. Chin, neck each	\$30
Add Enzyme Therapy	\$220

DMK PEELS

DMK is famous for offering peels to revise the skin. DMK's philosophy is Remove Rebuild Protect and Maintain, rather than simply peel away layers, DMK PEELS work to restructure the skin, restoring it to optimum health.

LUNCHTIME PEEL 45mins	\$120
Instantly radiant & luminous skin. A controlled micro-removal of the epidermis, effecting increased cell turnover. Minimises fine-lines & wrinkles, plumps the surface & encourages new cells to grow stronger & healthier. Lunchtime or any time!	
* Lunchtime peel + Enzyme Therapy	\$250
SIX LAYER PEEL	POA
Look younger in just 10 days! Perfect for pigmentation, lines, sundamage, ageing and post acne scarring.	
RP REMODELLING RESTORES SKIN STRUCTURE	POA

Spa Facials

\$150

POWER FACIAL

We will design your treatment to include two of the following

- Diamond Microdermabrasion - deep exfoliation
- Ultrasonic and Sonophoresis -infusing ingredients
- High Frequency for acne lesions
- LED low level light therapy waves. For acne and ageing
- Muscle Lifting - antiageing
- Iontophoresis for penetration of water based ingredients
